We recommend an adult attendant for all bouncers and the renter is responsible for child safety. The renter must set-up and break down the bouncer, Ace will place the bouncer where it is intended for use. All bounce houses must be staked down, the renter is responsible for keeping bounce houses secure and dry in inclement weather. No food or drink is allowed in any of the bouncers & mazes. For child safety, we recommend no shoes in the basic bouncers, soft sole shoes for the mazes. Extension cords are not supplied, always verify the electrical load capacity on the breaker you are using. Renter is responsible to remove all items from the bouncers and the renter must sweep/clean bouncers before returning.
